ON-FIELD CLASSIC

SERIES

There is nothing quite like the classics. With our On-Field Classic Series, we have combined our most traditional “baseball” cap styles and organized them into one convenient category. While these caps are designed with the ball player in mind, they are also very versatile and a popular choice among public safety, law enforcement, and corporate/promotional customers.

Features Key

Whether flat or curved, our 'U-Shape' visor allows you to shape it how you want it.

Universal fit is created with a woven spandex sweatband that stretches to fit a range of sizes. Universal caps mold to the shape of your head providing the most comfortable cap available.

PRO-WOOL

PRO-WOOL is constructed of authentic wool blend fabrics that give the look and feel of a traditional baseball cap.

Coolport Mesh is created from a special fabric that allows body heat to flow out and cool air to flow in.

2017 EMBROIDERY GUIDE

LEAGUE PATCHES + \$5.00

Pacific Headwear is your source for Babe Ruth and Cal Ripken league caps. We have added heat press patches to our application abilities. Babe Ruth currently recommends that all teams wear this patch on the left side of their caps. We can take care of that for you. You can have them applied to any of our stock or custom styles.
